THE JOSHUA DAVID GARDNER MEMORIAL SCHOLARSHIP ENDOWMENT

The Joshua David Gardner Memorial Scholarship Endowment Inc., was established in June 2007 to provide scholarships to undergraduates attending historically black colleges and universities. The Joshua David Gardner Memorial Scholarship Endowment also provides free information, workshops and seminars for parents, middle school and high school students on college preparation, application and financial aid processes.

The Endowment was created in tribute to our son—as a way to share our love and hope with others. Through this Endowment, we hope to touch the lives of other students by helping them achieve their academic goals and ambitions.
